*** Management/Incentive Practices**

1/ All cost share rates are at 75% except the incentive practices, which are at 100%.
Exceptions: Limited Resource Farmers and Beginning Farmers and Ranchers are eligible for 90% cost share.

2/ Irrigation System: Sprinkler to Sprinkler improvement, maximum cost share is 10%.
(For example: Wheel line to center pivot)

3/ This practice does not contain cost-shared components on the EQIP cost list. Use the appropriate support practice(s) to provide cost share for implementation of this practice. The applicable cost share rates and hold downs of the appropriate support practices will be used on an EQIP contract.
